## 20.2. WASHINGTON DC - Delete the wrong alternative:

In Washington DC, political buildings and ~~gambling halls~~ / **government offices** dominate the city centre. At one end of Constitution Avenue stands ~~Boot~~ / **Capitol** Hill, the home of America's parliament. Next to it is the ~~Empire State Building~~ / **Library of Congress**. At the other end of Constitution Avenue there's the ~~Lincoln Memorial~~ / **Eiffel Tower**. It's a huge statue dedicated to the memory of ~~Liberty~~ / **Abraham Lincoln**. Between these two points there are various monuments such as the Washington Monument or the Vietnam Veterans Memorial, all surrounded by ~~the Rocky Mountains~~ / **parkland and lakes**. Just north of Constitution Avenue stands America's best-known home: the ~~White House~~ / **Buckingham Palace**. Washington also has some of the finest museums including ~~Madame Tussauds Wax Museum~~ / **the National Gallery of Art**, The National ~~Halloween~~ / **Air and Space** Museum, and the Smithsonian Institution.
