

The song is very popular in many sports arenas and stadiums.

We're leaving together, *not alone*
 But still it's farewell *bye-bye*
 And maybe we'll come back, *perhaps*
 To earth, who can tell?
 I guess there is no one to blame *accuse*
 We're leaving ground
 Will things ever be the same again?
 It's the final countdown ... *very last*
 We're heading for Venus *going to*
 And still we stand tall *in upright position*
 'Cause maybe they've seen us and welcome us all
 With so many light years to go
 and things to be found
 I'm sure that we'll all miss her so. *fem. due to poetics*
 It's the final countdown ...
