Hugo ~~is~~ going to spend a night in the haunted castle. It is getting cold. The empty rooms are dark. There is no electric light. A candle gives some light. What time is it? A clock strikes twelve times. It's midnight. Are there any evil spirits in this castle? Hugo is walking slowly along the old walls. Suddenly he hears a scream. Then a frightful ghost rushes towards him. Hugo is very brave. He catches the ghost by the neck and ... But what is that? It doesn't feel like a ghost. Why? Because it isn't a real ghost. It's just a broom with a white cloth. His friends have played a trick on him.
